**Apologies:**

**Minutes of previous meeting:** 6<sup>th</sup> October 2009 **Read Moved:** Nick Dalitz **Seconded:** Aaron Tasker  
**Carried:** All in favour

### Business arising from previous minutes:

**Slip Lane:** Ongoing

**Grants:** Council Grant: Ongoing

Recreation and Sport Grant: John Phillipott has finalised. Nathan will get help from John for the next Grant, money likely to be put towards the grids.

**Working Bees:** Last working bee was in October, dismantling the shed. This is now in storage at Murray Bridge Salvage. Council approval needs to be obtained before construction can commence. Greg has the original plans for the shed.

Next working bee arranged for 8<sup>th</sup> November 2009. We need to make up more tyre bundles, speed nuts required. Weeding, mowing, road signage if ready, general maintenance, lighting. More paint still needed, tyre bundles still need to be finished, Michael Stewart has offered another 3 tins of whatever colour we need. Look at another flag marshal point, these need to be white. Cement need to be put around the outside of the existing shed to keep the cladding in place (security).

Jodi to send an email to all members, reminding about the working bee and asking for whipper snippers and maybe a couple of wheelbarrows.

**Road Signage:** Ongoing.

**Management Meetings:** N/A

**Tradies Page:** Ongoing. Ian will compose a letter to be sent to all members. Acknowledgements for all current supporters to be on the back of each race program.

**Canteen:** A group of Dublin members will continue until the end of the year.

**Lighting:** Ongoing. Will be looked at next working bee.

**Ambulance:** Need to call them 1-2 weeks before the next meeting so they have time to organise volunteers.

**Christmas Meeting:** Enduro event has been decided upon. Craig Denton to put the format together.

**Transponders:** Ongoing.

**Judges Box** Ongoing.

**In/Out Grids** Ongoing. Critical, by May 2010 for the Closed State Meeting.

**Toilet Block** Ongoing.

**Honour Board:** Nick has obtained prices. The names need to be finalised, one last notification to be put out there, may encourage more sponsors. To be closed off at the end of 2009.

## **Incoming**

### **Phone Calls:**

### **Emails:**

**Containers:** Have now been moved. Security can now be arranged.

**Ride on Mowers:** Need to get it back for this weekend's working bee.

**Pit Spots:** Hugh has pegged out a number of pit spots but needs to complete the job.

**Track Direction:** Is causing some confusion amongst members. Sign improvement needed. Removal of the "IN" and "OUT" signs and just having the track direction arrow may help.

**Security:** Ongoing. Todd Shone has offered us security system.

**Master Plan:** Perhaps the next working bee would be a good time to measure out and peg where the new shed will go.

**O L T's:** Hugh has one booked for 10am on the 8<sup>th</sup> of November. An AKA representative has expressed concern about our decision to implement a 10% of race pace measure for OLT's, however, race stewards are refusing to signing off licenses if karters are posing a danger to others on the track due to lack of speed/confidence. We will be strongly recommending to all new members that they should aim to be within 10% of race pace before entering their first event.

## **Outgoing**

**Emails:** Jodi to send an email to all members regarding the working bee on Sunday 8<sup>th</sup> of November.

## **Reports**

**President:** Nil

**Sponsorship:** Nil

**Treasurer:** Closing balance \$25,000.00     **Moved:** Hugh Grundy     **Seconded:** John Bartel

**Race Secretary:** Sup Regs submitted for upcoming race meeting 15.11.09 and are available on the website. We will be running the "A" track (6 laps) in an anti-clockwise direction.

**Secretary:** Email system seems to be working well. Trish Bartlett is on the list aswell for forwarding to Dublin members.

**Memberships:** Approx \$ 500.00

**Publicity Officer:** Nathan still working on the website. Next race meeting, maybe the local radio station might be interested in broadcasting from the track.

**AKA Delegate:** Meetings are held every 3<sup>rd</sup> Wednesday of the month.

The issue of parity between the 125 motors has been raised. It is believed there is very little difference between them. A driver weight handicap would be a more favourable option.

Changes for Festival State Cup, point system could do with an upgrade. The 401 system would be preferred as it rewards consistency.

### **General/New Business**

Race Meetings: Although the GKCSA committee had previously voted to have 5 race meetings a year it has been decided that next year only 4 will be run. The closed and open state meetings will be very time intensive.

**Meeting Closed at 10.02pm**
